RIBA Compulsory Award

Northern Soul Design Competition | 2025

Recognized for outstanding architectural design and creative achievement.

PROJECT EXPERIENCE

Academic Architecture Studio Projects

University of Lancashire | 2022-2026

- Developed concepts from initial sketches through final presentation stages.
- Produced plans, elevations, and design documentation using AutoCAD.
- Created 3D digital models using SketchUp and photorealistic renderings using D5 Rendering.
- Built physical study and presentation models to communicate spatial relationships.
- Applied sustainable and user-focused design principles to residential and mixed-use projects.

Northern Soul Design Competition

Lancaster, England | 2025

- Awarded the RIBA Compulsory Award for excellence in architectural design.
- Presented innovative conceptual design solutions within a competitive design environment.

EXPERIENCE

Lifeguard

Ancient Tree | Northbrook, Illinois | 2019-2023

- Maintained safety in a high-volume recreational environment.
- Demonstrated responsibility, situational awareness, communication, and teamwork.

Sales Associate

Loyola Academy Bookstore | Wilmette, Illinois | 2022-2023

- Assisted customers and supported daily retail operations.
- Managed inventory organization and merchandising.
